She volunteered in the Special Olympics Ski program as a coach. She is pursuing a science major at Dartmouth and anticipates going to medical school.

Over \$2,000,000 Awarded to Date – and You Made It Happen!

We greatly appreciate your support. Each year, many Dartmouth Club members take time to make a contribution to this scholarship effort. Thank you for considering a gift of \$50, \$100, or any amount you feel appropriate. Your generosity will earn our deepest thanks and, more importantly, will help support some of the most promising young people from our region to our beloved “College on the Hill!”

It has been over sixty years since the individual Scholarship Funds were founded, principally through the efforts of John Faegre and continued by Judge Jim Rogers and Tom Keller. It was John’s vision that the Scholarship Program would help support students from our region attend Dartmouth. Today most Dartmouth Clubs view this Scholarship Fund Program (of the Dartmouth Club of the Midwest) with awe and envy. Thank you for helping make this possible!

Best wishes for a Happy Holiday Season!

Sincerely,

Douglas P. Fulton '85
